

CALENDULA HERBS CO

Who are we????

Calendula Herbs Company

For Importing & Exporting

We started as a Family Business In 1980 By Cultivating and planting Herbs and Spices on Our Own Property and selling it in the local market without any processing.

After 20 years and exactly in 2000 ; we Decided to process our herbs and spices before selling , started processing of our crops during continued to sell it in the local market to the exporters , Because Of The continuous Increase In The Production Volume We made Our Decision To Expand Our Activities ;

So In 2014 We Established our Company

(Calendula Herbs Co.)

**So That We Can Export Our Goods and Products to the Global Market and
We Succeeded to Do That with Establishing a Mutual Trust With Our Partners
In Many Countries around the world.**

We Always Do Our Best To Supply Our Partners The Best Quality of Herbs and Spices.

**We Believe That the Mutual Cooperation Is The Guarantee To Achieve
The Best Satisfaction of Our Partners.**

Our goal

- Being one of the best Egyptian suppliers on the world.
- Our Quality and products to be in accordance with the international standard.
- Reaching all customers in the world & achieves satisfy and trust.

Our philosophy

- Calendula Herbs is dedicated to the organic cultivation of organic herbs, Spices and seeds and committed to being a reliable business.

We are environmentally and socially responsible and dedicated to preserving plants and their environment.

- Along-run strategy is adopted to establish a well-reputed and praiseworthy business not short-term deals.

Our Mission

- To support natural sustainable organic agriculture practices that serve, honor and protect Mother Nature.
- To provide our customers worldwide with exceptional quality of organic herbs and spices.
