

From Skyline To The Shoreline

WELCOME TO EXPORTIA INTERNATIONAL

Exportia International is a Government of India Recognized Export House that has expanded its business into Agricultural Commodities, Ready-to-Eat Food, Flora, Fragrance, and Organic Products. Since 2020, the group has grown by leaps and bounds in terms of exporting products and commodities to even the most remote corners of the globe. Every day, we develop long-term models that adhere to industry best practises.

Who We Are?

We are a group of young and enthusiastic people who have banded together with the common goal of becoming a global leader in food trading. We believe that India is well-known for its spices, and that food export is critical to our country's growth. We prioritise the export of Indian spices and other food products, but we are also analysts and researchers with an up-to-date global food market database to assist you.

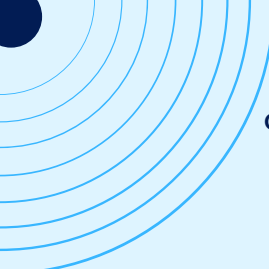

What Exactly We Do?

We offer our customers the service of spices export from India. But we also understand the demand for Indian food, which is why we offer a wide range of Indian food exports. From assisting you in finding the right buyers to packaging and shipping your food, our comprehensive services will ensure that you have no problems. We ensure that the food is exported to Europe, the Middle East, the Americas, or wherever you want it to go.

We add value to a wide range of items, including Indian Cereals/Grains such as Wheat, Rice (white, brown, and black), Corn/Maize; Pulses such as Chickpeas (Kabuli Chana), Bengal Gram (Chana), Red Lentils (Masoor dal), split Pigeon Pea (Toor dal), Green Beans (Moong), Red Kidney Beans (Rajma), Black Gram (Urad dal), and Oilseeds like Soyabean, Groundnuts and Sesame seeds; Spices such as Red Chili (Kashmiri, Reshampati), Finger Turmeric (Kesar, Selam), Cumin, Asafoetida, Bay leaf, Basil, Cardamom, Cinamon, Chili powder, Turmeric Powder, Coriander Powder and many more products.

Why Do You Choose Us?

Before being dispatched, each product we serve is subjected to a strict quality control check. If you are concerned about the safety of products during transit, you should know that we take every precaution and safety precaution when packing and delivering our products. Our organization's top priority is always to protect the interests of our clients and employees. We deliver what we promise – before delivery, all of our products are thoroughly inspected in accordance with the highest quality control standards. You can be sure that you'll be getting the best because they're available in the most recent designs and keep up with the latest trends. We let our products speak for us and our commitment. Call us or send us an email for more product information, a quote, and faster delivery.

Our Objectives

- To practise quality in the totality of a product's and service's features and characteristics that bear on its ability to satisfy all implied needs.
- Focus on high quality, high production efficiency, and broad distribution.
- Constantly educate and improve ourselves in order to stay current with the best manufacturing and operating processes.
- Innovate in order to provide services that meet the needs of the customer.
- Global reach and accessibility through cutting-edge technology and processes.
- To practise quality in the totality of a product's and service's features and characteristics that bear on its ability to satisfy all implied needs.

Our Vision

Our vision is to build a global network of satisfied customers and to provide natural, healthy, and 100 % organic produce to the world.

- A globally recognised food company that nourishes your daily routine.
- To be a leading and dependable international Global EXIM company that provides long-term value to our associates.
- To be the best global organisation by enhancing people's lives through exceptional food and service quality.
- To become one of India's top exporters of Indian grains, pulses, and oilseeds in the competitive agricultural commodities marketplace by consistently providing high-quality products at competitive prices while providing best-in-class service.

Our Mission

We are determined to maintain our position as the market leader in the exports sector. Providing customer delight and becoming a reliable partner to our customers by excelling in all aspects of our operations.

- To cultivate, manufacture, process, and serve best-in-class food that retains freshness and hygiene and is suitable for daily consumption.
 - Provide integrated trade solutions to international businesses to ensure long-term profits while also empowering aspiring importers and exporters through EXIM consulting.
 - To ensure that our products meet the stringent quality standards set by our management and adhere to the quality acceptable worldwide as safe for human consumption.
