Greenjeeva

COMPANY INSIGHTS

Green Jeeva is novel global e-commerce platform to bring together global buyers and sellers of dietary ingredients in one marketplace. Experienced professionals lead and manage our platform who cater to the needs and challenges of dietary business workflow.

We are endowed with tech-savvy experts who continuously leverage cutting-edge digital technologies to craft our highly efficient e-commerce platform.

VISION AND MISSION

The vision of Green Jeeva is to bring all native ingredients from around the world to a common global marketplace in order to create a remarkable value for the global food ingredients and nutrition industry.

Our mission is to offer a transparent solution to supply chain management in Nutritional Industries and to provide high-quality products at an affordable price. Therefore, we invite you to join us in our journey and subsequently help you achieve your goals.
