## FOOD INDUSTRIES

A Leading Manufacturer & Exporter of Dehydrated  
Onion Garlic & Others Vegetables.

## About Us

Kohinoor food industries was established in 2014 with the aim to meet the current demands of dehydrated onion and garlic in the national as well as international markets. Kohinoor food industries was founded by Mr. G.M Patelia, belongs from a farmer's family, having vast experience in agriculture and having b.sc degree in agricultural.

Located on the outskirts of mahuva a town-city in gujarat state of india, where procurement of onions is very easy, best quality raw onions are available around our district and state, as our land offers all what onions need, fertile soil, adequate water supply, and basically it's an agricultural based region which for which mahuva stands as the 2nd largest onion producing belt in india, and thus purchases always remains under our personal supervision. our core expertise is direct procurement from farmers in open auction market and production at our own plant under strict quality control measures. quality and human safety is the pillar of our foundation. We adhere to food safety standards of BRC, ISO 22000:2005, HACCP, Halal, KOSHER, FSSAI, APEDA, SPICE BOARD of India to ensure production of best quality dehydrated onions and garlic for our valued customers.

To ensure safe and sound delivery of cargo to our valued customers, we stuff all consignments at our own manufacturing unit. We do not believe that we should say too much about ourselves but would request you to give us an opportunity to be of service to you. our values and business ethics will get automatically understood by our esteemed buyers from the quality of goods and the related services that we provide. kohinoor food industries has extensive quality control measures in place to ensure its products meet the strict requirements of its customers and european legislation.

## Our Vision statement

- To become fully organic manufacturing unit.
- To increase production capacity with having fully automatic systems and highly standard machines.
- At Kohinoor, we're committed to achieving business and financial success while leaving a positive imprint on society – delivering what we call Quality with Commitment.
- Wherever we do business, Quality with Commitment is our guide. We believe that delivering for our consumers and customers, protecting the environment, sourcing with integrity and investing in our employees are not simply good things to do, but that these actions fuel our returns and position Kohinoor for long-term, sustainable growth.

## Our mission statement

- We are seen as a friendly, caring and efficient organization whose primary focus is on providing consumers with safe and convenient high quality food products.
- To create partnering relationships of trust, integrity, customer satisfaction and loyalty.
- To provide the widest selection of natural and organic, wellness, and specialty food products of the highest quality, consistently high in-stock service levels, dependable on-time deliveries, highly competitive pricing, and outstanding marketing programs and services.
- It is understood that in order for us to realize our vision we have to continue to strive to earn the recognition and satisfy the trust our customers and business partners place in us.

We are located

## Quality Policy

Since 2014, Kohinoor Food Industries has been committed to a system of Quality management and is certified to ISO 22000. In parallel, it ensures food safety of its products by strictly following the rules of HACCP.

We make sure that the packing, labelling, transportation of the products are in accordance with the specifications of the customer. Emphasis on hygiene and systematic storage of products are key to providing quality and timely delivery of good.

We are certified

## Talent Sustainability

*“Coming together is beginning, Keeping together is progress, Working together leads to success”*

Since the Company was founded, Kohinoor Food Industries business practices have been governed by integrity, honesty, fair dealing and full compliance with all applicable laws. Kohinoor Food Industries employees have upheld and lived this commitment in their every day responsibilities ever since, and Kohinoor Food Industries reputation remains one of the Company’s most important assets today.

We have an extraordinary talent base across our organization — in our manufacturing facilities, our sales and distribution organization, our marketing groups, our staff functions and our general managers.

Our goal is to continue to have the leadership talent, capabilities and experience necessary to grow our business well into the future.

We believe, “If you want to go fast, go alone. If you want to go far, go together.”
